## ACCOUNTANT & CONTRACTS MANAGER

Pam Ku-Snyder has lived in Springfield since immigrating from Hong Kong with her family. Pam's accounting background and experience with sales and customer care are a great asset for the diversity of projects and customers that Think Tank serves.

Pam has held positions in Human Resources and Development and has worked in finance and accounting for over 15 years. Both her human resource and non-profit experience has allowed her to advocate for families in her community that face unforeseen obstacles and need the opportunity and support in order to experience success.

Additionally, Pam has spent many years in direct sales, which has given her the chance to develop skills in sales, customer relations, and coaching. Pam and her husband Chris have been married since 1990 live in Springfield with their three children. She and her family are active members at First Christian Church. Pam has served on several local Springfield boards and is an active volunteer with the local YMCA and high school swim teams.

Pam graduated from Kenton Ridge High School and Wright State University with a BS in Management Science.
